- Hour 26 _____
- Hour 27 _____
- Hour 28 _____
- Hour 29 _____
- Hour 30 _____

NHS Service Hour Combinations

30 Service Hours

NHS projects, including funds raised through those projects, directly service both school and community. Hours, therefore, can be done in the following combinations:

A. 30 NHS project hours (of which at least 4 must be fundraising)

OR

B. 15 NHS Project Hours (of which at least 4 must be fundraising)
15 school hours

OR

C. 15 NHS Project Hours (of which at least 4 must be fundraising)
8 school hours
7 community hours

Notes

PROJECT hours are those organized, implemented, and supervised directly by the East chapter of NHS.

SCHOOL hours are those done in service to Lakota East High School and supervised by an East faculty member.

COMMUNITY hours allow individual members to do their own service projects, outside of the auspices of the school or the chapter.

NHS FUNDRAISING HOURS (Hours 12-15 on checklist) are hours spent raising funds for use by the Lakota East chapter of NHS.

Time spent raising funds for donation to other organizations counts as COMMUNITY HOURS or perhaps NHS PROJECT HOURS if NHS is the primary organizer.

Hours from school or community CANNOT BE SUBSTITUTED into the project hours category beyond what the Faculty Council has allowed here.
