

Freshman Campus Traffic Plan

- All student drop offs and pickups take place on the front side of the building. For safety reasons – THERE CAN BE NO EXCEPTIONS.
- Enter and Exit from/to **Jamison** only OR from/to **Bethany** only.
- Right Turn ONLY onto Bethany.
- Only staff cars, with permit stickers, will be permitted to enter parking lots before and after school.
- It is imperative that all drivers plan for delays and traffic congestion the first several days. As everyone learns the new traffic patterns, delays will decrease in length.
- Please be conscious of staff in parking/drop zones. They are there to assist with traffic flow and need everyone's cooperation.
